NAWIC Guam Chapter 381

Social Media Policy

All officers and members of the NAWIC Guam Chapter 381 are encouraged to use social media tools to promote the work of NAWIC. Please observe the following policy:

1. **Be Responsible.** When you are personally posting to a blog, wiki, photosharing, Facebook, Twitter or other form of online dialogue, be clear that it is an individual interaction, not an interaction from NAWIC or NAWIC Guam. If you are posting on a NAWIC Guam account, be sure you are posting material that is a direct representation of the organization and its work. Use common sense and common courtesy.
2. **Be Smart.** Most social media posts are visible to the entire world. Remember that what you write will be public for a long time. Be respectful to NAWIC, NAWIC Guam, local organizations, our members, affiliate partners, corporate sponsors and protect your privacy.
3. **Respect the Privacy of Others.** Don't publish or cite personal details and photographs about NAWIC Guam members, volunteers, donors, corporate partners or vendors without their permission. Any disclosure of confidential information will be subject to NAWIC policies that apply to wrongful dissemination of information via email, conversations, and written correspondence.
4. **Be Respectful.** It is okay to disagree with others but cutting down or insulting readers, employees, bosses, funders, corporate sponsors and vendors is not appropriate. Respect your audience and refrain from the use of obscenities, personal insults, ethnic slurs or other disparaging language to express yourself.
5. **Don't Share Confidential Information. To all Board of Directors:** the nature of your position with NAWIC Guam may provide you with access to confidential information regarding NAWIC Guam matters, our members, customers, donors, or volunteers. Respect and maintain the confidentiality that has been entrusted to you. Do not divulge or discuss proprietary information, internal documents, and personal details about other people or other confidential material.
6. **Write About Our Work.** You have a unique perspective on our organization based on your talents, skills, and current responsibilities. Share your knowledge, your passion and your personality in your posts by writing about what you know. If you're interesting and authentic, you'll attract readers who understand your specialty and interests. Don't spread gossip, hearsay, or assumptions.
